## Paying for School Dinners

We are now using School Gateway for topping up dinner money. This allows parents/carers to login and put money on the students' lunch account pay for trips or even revision books. It avoids having to find money to give to your child each day and lets you top up and check their lunch account anytime. It is very simple to use and instructions are below. **We do need each child's main contact's email address and mobile phone number so this facility can be available for you.** If the school hasn't got these please ring the school with your email address and/or mobile phone number so we can update them.

### Follow the below Instructions

Please go to <https://login.schoolgateway.com/0/auth/login>
