Carlton Bolling is an Outstanding school which has been on a rapid improvement journey over recent years, with results in 2017 within the top 5% of schools nationally. This progress was recognised by Ofsted who praised the “Highly aspirational vision for the school”.

Staff enjoy working at Carlton Bolling and are supported and encouraged to lead and develop practice “Pupils and staff are enthused and excited to excel. Pupils and staff work together within a harmonious community, where they are fully supported”: Ofsted, November 2017.

Although we are rated Outstanding, we are still moving forward at the same trajectory on our path to become one of the top 1% of schools in the country. If you share this vision, and are prepared to put in the effort to attain this goal, we would like to hear from you.

We are looking to appoint an Apprentice in Hospitality to join our catering team. Duties include providing excellent standards of visitor service at all times to maximise visitor enjoyment of the site; and to ensure the site and its assets are safe and secure to work as part of a team to prepare, cook and serve a given number of meals for a set time and in accordance with quality procedures and instructions.

The successful candidate will be working towards a professional qualification for the duration of the apprentice:

If you think this might be the role for you, please contact Human Resources at Carlton Bolling College for an information pack and an application form.
