September 2020

Dear Parents and Carers of prospective Year 7 students 2021

I hope that this letter finds you and your family well. Unfortunately, due to the current pandemic and local lockdown in Bradford we are unable to hold our annual information and open evening for prospective year 7 children and their families.

We know selecting the correct secondary school for your child is very important and can be life changing in 'normal circumstances' and with the current situation this has made it extremely difficult for everyone involved in the process. Open evenings are designed for families to meet with key staff in school, listen to information on our values, vision and expectations, experience the school environment and ask questions. You will then be able to decide if Carlton Bolling is the best school for your child.

To hear from the Headteacher, our staff and students and to get a virtual tour around our amazing building please have a look at the video on [www.carltonbolling.co.uk/virtualopenday](http://www.carltonbolling.co.uk/virtualopenday). We have captured information that maybe useful to you and your child and a flavour of all our different curriculum areas.

If you have any further questions or queries please contact the school by Email initially on [admin@carltonbolling.co.uk](mailto:admin@carltonbolling.co.uk).

As an oversubscribed school it is important that if you want your child to come to Carlton Bolling you place us as number 1 on your application form. We look forward to welcoming all of our new students and families at some point during the coming year.

Yours Sincerely

Mr I Laher

Deputy Headteacher
