

January 2021

Dear Parent/Carer,

Hope you are all well and staying safe.

Please find attached our school's remote education provision document. This information is intended to provide clarity and transparency to pupils, parents and carers about what to expect from remote education.

A copy of the document and a video message is available on our website, under the area Remote Learning.

A handwritten signature in black ink, appearing to read "EJGirt".

Mrs Jane Girt

Head of School
