

Dear parent/guardian,

Further to my previous letter please find important information regarding your child's remote learning.

From Monday the 11th of January, your child will be expected to complete their school work remotely from home through Google Classrooms. A video on how to do this and student expectations is available on our school website (Click on 'Parents', 'Remote Learning' and 'Remote learning for Year 7,8 &9'). Your child will be expected to go to their class on Google Classroom for the subjects mentioned below, watch the pre-recorded video and complete work as directed by their teacher. Your child must follow the subjects in the timetable below, however the work can be completed at any time during that day. Failure to complete work will mean they have missed that day's learning.

No access to a device and/ or the internet?

We would like to give all children the ability and opportunity to access their lesson from home. For this reason, we can loan you a device if your child does not have access to a device such as a laptop, computer or tablet (subject to availability). We also have sim cards (subject to availability) with Internet data to support parents who require extra data for the internet through a mobile device. If you would like to borrow a device or a sim card with data, you will need to contact the school on 01274 633111 and speak to Ms Whittaker. As the parent/carer you will collect a device/ sim card from reception after agreeing to our terms and conditions. Your child will need to return the device when they are back in school.

Communication

We have provided training for the students so that they know how to access Google Classrooms. Please contact us if you are having problems by emailing studentprogress@carltonbolling.co.uk. It's important to raise any concerns regarding remote learning that you have with school if you are unable to accommodate an online lesson for any reason.

Safeguarding

If your child is accessing lessons online, please ensure you are vigilant and are regularly monitoring the content that they are accessing on-line. Ensure your computer privacy settings are set appropriately for children's use if you are not able to directly supervise their on-line use.

Please report any concerns you may have about the on-line content they are accessing to school.

Student Wellbeing

Remember, the school is still here for you and there is a huge range of support to help you with any issue with your child's wellbeing.

If you have any non-emergency concerns regarding your child's wellbeing or safety, please contact Mrs Byrne by email t.byrne@carltonbolling.co.uk or telephone 01274 648629. If you have a concern about another child's welfare or wellbeing, call Children's Social Care initially on 01274 435600 (office hours 8:30am to 5pm Monday to Thursday, 8:30am- 4:30pm on Friday). At all other times call the Social Services Emergency Duty Team on 01274 431010 if you have an emergency or if you have reason to believe that a child is at immediate risk of harm, please contact emergency services on 999.

Thank you for your support during these challenging times; it is important we work together to ensure your child continues to make progress over the next few weeks.

Yours sincerely

Jane Girt
