23rd February 2021

Dear Parents and Carers

We hope you are safe and well.

In response to the government announcement yesterday evening we are putting together a plan to ensure the safe return of all students to school. The government will be issuing more information and guidance over the next couple of days which we will need to consider before our plan is finalised.

A key factor in students returning to school is the need for school to carry out three lateral flow Covid tests on each student and member of staff during the first two weeks back. To ensure this happens efficiently and effectively we may need a phased return due to the large numbers of students and staff involved.

We will share our final plan with families for the return of students by Friday 26th February.

Thank you for your support with this

Regards

Jane Girt

Head of School
